WHY TO SPONSOR EUROGNC 2026?

To support the organization of high-impact events in Spain

In order to make a success of this event and attract future ones to Spain, and to Madrid, we need all the main stakeholders to show their support by submitting articles, attending the conference, and for those companies with a major market presence to help defray the cost.

Targeted Audience

Connect with 130+ professionals from Europe's GNC community.

Top aerospace Industry-Academic network opportunity

Unique networking opportunity combining European aerospace industry leaders with top academic researchers.

Branding & Student Outreach

Maximize your company brand among other companies, universities & future employees via the Council of European Aerospace Societies, Universidad Carlos III de Madrid, and Universidad de Sevilla powerful social media accounts.

Flexible Branding

Companies may use corporate names or specific product names

High-Impact Promotion

Opening ceremony recognition

Meal/Coffee sponsorship with prominent logo display

Visit to company facilities + conference room naming (only for Platinum & Gold sponsors)
